

Option -PBH

Hemispherical Pushbutton -

Use of this option provides a vandal resistant Air-Control valve pushbutton which is designed to prevent use as a suicide device and requires less than 5 lbs to actuate the valve. Hot and Cold Hemispherical Pushbutton assemblies are indexed with red Acorn logo to indicate hot or blue Acorn logo to indicate cold water applications. Button and Escutcheon are machined of 303 type stainless steel.

Often paired with -BPH Hemispherical Penal Bubbler or DMB-BPH Deck Mounted Bubbler, Hemispherical Penal Bubbler fixture options.
