

PETITION TO INSTALL THE PORTLAND LOO IN [CITY NAME]

Date: [MM/DD/YYYY]

We Need a Portland Loo in [City Name]!

We, the residents of [City Name], strongly encourage the installation of The Portland Loo® at [Proposed Location] to address the growing need for safe, durable, and accessible public restrooms in our community. Public restroom access is a fundamental necessity that promotes cleanliness, public health, and the overall well-being of residents and visitors.

Why The Portland Loo®?

- **Cost-Effective Durability** – Designed to last over a century, The Portland Loo features a stainless-steel build that resists vandalism, graffiti, and wear, significantly reducing long-term maintenance costs. Its efficient water and energy usage also help minimize operational expenses.
- **Crime-Deterrent Features** – Unlike traditional public restrooms, The Loo's open design discourages illegal activities. Angled louvers maintain privacy while allowing visibility for law enforcement, and blue lighting helps deter drug use.
- **Cleaner, Healthier Cities** – By addressing the shortage of public restrooms, The Loo helps prevent unsanitary conditions in public spaces, improving public health and maintaining the aesthetic appeal of our city.
- **Globally Recognized Success** – From the U.S. to Canada and beyond, cities have embraced The Portland Loo® for its innovative design and ability to integrate seamlessly into various urban environments, from parks to transit hubs.

By signing this petition, we show our support for bringing The Portland Loo® to [City Name] and call on city officials to take action in implementing this proven solution. We appreciate your time and attention to this matter. Let's work together to make [City Name] a cleaner, safer, and more accessible place for all!
